

Maternity Ward visiting times

10:30 a.m. - 11:30 a.m.

4.00 p.m. - 8.00 p.m.

Partners are welcome at all times!

For your peace and that of any fellow patients, we ask visitors not to stay too long and we ask you to limit visitors to two people at a time. If more than two visitors come at the same time, they can alternate. Children must not walk around the hospital unaccompanied.

People with a cold, flu or other contagious illness should postpone their visits. You and your fellow patients can be especially susceptible. Do you have any questions about visiting times? If so, contact an employee from the ward.
